Hall of Fame Inductees

The State Executive Board is pleased to continue the Hall of Fame project. The Hall of Fame is to be on display at the Spring State Leadership Conference each year.

Two qualifications must be met for a candidate to be eligible for membership in the Phi Beta Lambda Hall of Fame. They are as follows:

1. Graduate from college at least two years prior to the opening of the State Leadership Conference.
2. Candidates must receive nomination from their local chapter and the approval of the State Executive Board.

Each local chapter should go through a selection process to determine *one* candidate to be nominated into the Hall of Fame. The Board recommends that you send a letter similar to the enclosed example to all candidates and ask them to fill out the enclosed registration form. *You may want to have all interested graduating seniors fill out the form so you may keep it on file for future reference.*

After your chapter has selected its one candidate, you must contact that individual and request a 5 x 7 inch picture of him or her. This size is preferable because each Hall of Fame member's exhibit will be of equal size.

A completed Hall of Fame nomination form (you may use a copy of the form in this Handbook) and picture of the candidate must be received by the Hall of Fame Chairperson *no later than December 1 for induction at the following Spring State Leadership Conference.* The State Executive Board will then evaluate the candidate based on the following areas:

1. Involvement on the local, state, and national level
2. Offices held
3. Conferences attended

The Hall of Fame is a great honor; therefore, please be careful in your selection process. The candidate's PBL accomplishments will be on display at the State Leadership Conference and he/she will also be introduced as a new member in the Wisconsin PBL Hall of Fame.

Nomination forms must be sent no later than March 1, 2008 to:

Steve Wills
910 Shepherds Drive
West Bend, WI 53090
